

PCS Uniform Guidelines

Providence Classical School has established this uniform policy with the goal of maintaining high standards in all areas. It is our desire that it not be viewed as a means to bring about conformity, but for the purpose of eliminating unnecessary distractions that keep us from our task. We hope to motivate our students to express their individuality through their work, not their adornment. **All uniform items must be purchased from Lands' End ONLY! Please refer to our Preferred School Code 900058520 when making a purchase.**

Ordering Guidelines:

1. Please refer to **Lands' End Fall 2011 School Catalog** for ordering, as some item names or numbers differ online.
2. All items are to be purchased from the Lands' End for School catalog except shoes, socks, tights/leggings, and belts.
3. Clothing must fit students appropriately. Students will not be allowed to wear clothing that is too short, too worn or too tight. When ordering, please consider that you may need to order new items in the spring.

Additional Guidelines and Notes

1. Only uniform outer wear items listed below may be worn in the classroom. Other outer wear items, including PCS sweatshirts, may only be worn outside.
2. Hats are not to be worn indoors.
3. Polo shirts are to be tucked in at all times.
4. When considering accessories, please avoid anything that might distract others.
5. Parents will be called if a student is not in appropriate uniform dress and the parent will be required to remedy the situation immediately.
