Athletic Camps

About Us

Athletic Camp Head Coaches

Angie Black

Coach Black started working at PCS in 2012 and has over 23 years of summer camp experience. She has a passion for students and love of sports that fit perfectly into a sports camp setting. For Coach Black, summer camp isn't just about fun; it's really about using the avenue of sports to share the gospel with kids.

Trina Jones

Coach Jones has been at PCS for 3 years and has made a huge impact in our community. Everybody loves her because she truly loves everybody with the love of Christ. She has been a USATF coach for 15 years and blesses our kids with her knowledge.

Mark Blake

Coach Blake teaches PE at PCS and has been the JV and Varsity boys basketball coach for the past two years. He has over 20 years of basketball knowledge and experience in handling basketball camps, conducting practices, and working on skill development with children of all ages.

Madison Smith

Coach Smith is the Varsity head coach for PCS Volleyball and has had over 6 years of professional coaching experience at the club and school level. She has experience working with a wide variety of age groups and works with each specific athlete to help them develop their skills to become the best they can be! Whether she's playing or coaching, volleyball will always be one of her biggest passions.

Anthony Davis

Coach Davis is the Athletic Director at PCS and the Varsity girls basketball coach. Originally from the Washington, DC area, Coach Davis has served in multiple ministry, coaching, and athletic director positions over the past 20 years. Coach Davis brings his love for God and a strong desire to impact the lives of young people to everything he does at PCS!

<p><i>Volleyball</i> <i>\$110 per child</i></p> <p>Age levels: 9-11, 11-14</p> <p>Description: This skills camp will help children develop and build basic volleyball skills. The younger group will focus on learning the basics of volleyball: rules, passing, setting, and hitting. The older group will work on the basics, but also focus on serving and receiving, digs, hitting, and court awareness.</p>	<p><i>Basketball</i> <i>\$110 per child</i></p> <p>Age Levels: 5-9, 9-11, 11-14</p> <p>Description: This skills camp will focus on building ball handling and team-work skills. For the younger ages, coaches will focus on dribbling, passing, and shooting. The older kids will work on the basics but also focus on offense and defense, leadership, and team play. Every camp day will end with the chance to scrimmage.</p>
<p><i>Flag Football</i> <i>\$110 per child</i></p> <p>Age Levels: 5-9, 9-11, 11-14</p> <p>Description: Kids will get to learn more about the game of football without having to leave the gym for the hot sun! Every day campers will learn a new position: quarterback, receiver, and running back. Kids will have opportunities to scrimmage to put their skills into practice.</p>	<p><i>Soccer</i> <i>\$110 per child</i></p> <p>Age Level: 5-9</p> <p>Description: This beginner soccer camp is geared toward children who do not have much soccer experience. Kids will get to learn basic soccer skills like dribbling, passing, and shooting, with scrimmages to put their skills into practice. All of this will take place in the gym rather than out in the hot sun!</p>
<p><i>All-Sports</i> <i>\$110 per child</i></p> <p>Age Levels: 5-9, 9-11, 11-14</p> <p>Description: Just imagine being in P.E. for three hours of fun! There will be Kickball, Ultimate Frisbee, Knockout, Dodgeball...so many games, you just need to come see it for yourself.</p>	<p><i>Dodgeball</i> <i>\$110 per child</i></p> <p>Age Levels: 5-9, 9-11, 11-14</p> <p>Description: Who knew there were 8 different versions of Dodgeball? Your kids will have a blast learning and playing all of them.</p>

Academic Camps

July 8 – 11

Musical Theater 101 ***\$175 per student***

Grades 4 – 7

Teacher: Maryanne Navickas-Martin and Jenny Bayer

Time: 9:00 AM – 12:00 PM

Description: Come get a taste of musical theater! We will learn about all aspects of a musical theater production: acting, music, and movement. Students will learn to develop a character and project their voices in speaking and singing. On Thursday evening, they will perform a scene for family and friends to showcase what they have learned!

PCS Pond Ecology ***\$150 per student***

Grades 7 – 12

Teacher: Madison Smith

Time: 9:00 – 11:00 AM

Description: Come “ponder” God’s creation this summer and discover nature on campus! We will observe and study the many different organisms living in our PCS pond—from microorganisms to fish to fowl—and their interactions with each other and with the pond environment. This investigation will blend biology, physics, and chemistry concepts as we study our corner of God’s creation.

Acting 101 ***\$175 per student***

Grades 7 – 12

Teacher: Maryanne Navickas-Martin and Jenny Bayer

Time: 12:30 – 3:30 PM

Description: Take a deep dive into the art of acting! Using Stanislavski’s systematic approach, students will learn the art of character development and of finding their emotional truth. They will use their voices to project and enunciate clearly, important skills as they prepare for and enter the Rhetoric stage. On Thursday evening, students will perform a piece for family and friends to showcase what they have learned.

July 15 – 18

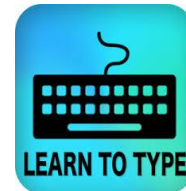

The World of Word \$175 per student

Grades 7 – 12

Teacher: Randall Bryant

Time: 9:00 AM – 12:00 PM

Description: Students will learn the basics of Microsoft Word and PowerPoint and use their skills to create flyers and presentations. Students will also learn how to format research papers at PCS using Microsoft Word. They will learn the foundations for keyboarding and be given the tools to keep practicing their typing throughout the year with the Typing Agent software.

Printmaking with a Purpose \$175 per student

Grades 1 – 6

Teacher: Diana Cox

Time: 12:30 – 3:30 PM

Description: From letters to Legos, balloons to vegetables, the summer studio will be filled with options for exploring printmaking. Monoprints, collagraphs, and Gytaku prints start the engines of the mind. Students discover the joy of color combinations and the effects of prints made from hand-made brayers. The possibilities are limitless!

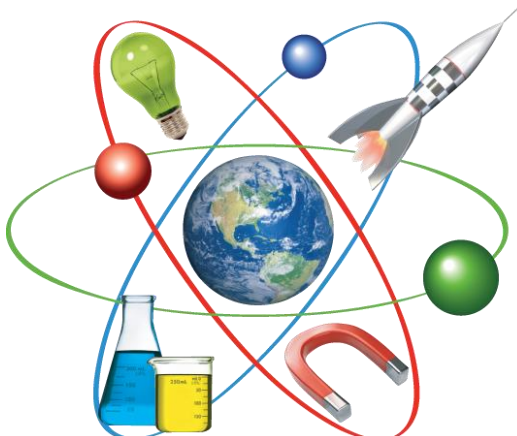

July 22 – 25

Hands-On Science Camp \$175 per student

Grades 3 – 6

Teacher: Kasi Bachelder

Time: 9:00 AM – 12:00 PM

Description: Come ready for fun, interactive, and hands-on science! Each day is filled with exciting experiments and demonstrations. Enhance your understanding of chemistry, physics, and biology with other students who share your enthusiasm for learning. Expand your sense of wonder and curiosity at the intricate complexities of God's creation!

July 22 – 25 (cont.)

Auto 101 ***\$125 per student***

Grades 9 – 12

Teacher: Jasper Schaer

Time: 9:00 – 10:30 AM

Description: The class will introduce students who are driving or close to it to some basic elements of car maintenance and care. Students will learn how to install wiper blades, check tire pressure, change and rotate tires, check and change air filters, change the oil, check fluids, test the battery, inspect belts, and gain basic safety and emergency knowledge.

Crafting with Class ***\$125 per student***

Grades 5 – 8

Teacher: Brenda Vorhies

Time: 1:00 – 2:30 PM

Description: Learn to make paper crafts of all kinds! From handmade cards to decorative flowers (like those on the left!) to origami animals and other shapes, students will learn to make beautiful creations that they can share with others. Come learn new ways to put your crafty creativity to use!

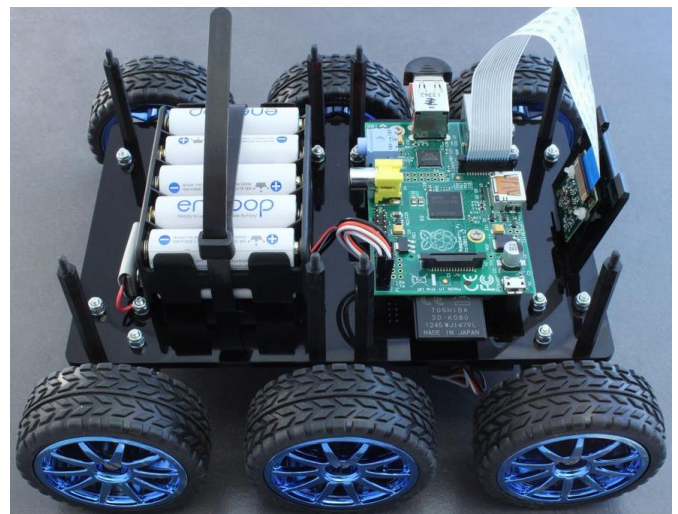

Robotics 101 ***\$175 per student***

Grades 7 – 12

Teacher: Vinodh Gunasekera (Dr. G)

Time: 12:30 – 3:30 PM

Description: Learn to build your own robot! Besides being just plain cool, robots are used in our world everywhere from manufacturing to surgery to space exploration. Discover the world of robotic automation and learn about the mechanical, electrical, and computational aspects of robots as you assemble and program a remote-controlled miniature robot with other members of your team.

July 29 – August 1

Backyard Ballistics ***\$175 per child***

Grades 3 – 8

Teachers: Jasper Schaer

Time: 9:00 AM – 12:00 PM

Description: Have you ever wanted to learn how to launch a sling shot like David or shoot a bow like Robin Hood? Come try your hand with a host of projectiles from darts to arrows to slingshots. You will learn techniques for accuracy and practice with projectiles you can use in your own backyard. Don't worry, Mom, we'll also talk about and practice safety rules! Come ready to have some fun!

Yookoso: An Introduction to Japanese ***\$125 per student***

Grades 6 – 12

Teacher: Randall Bryant

Time: 10:30 AM – 12:00 PM

Description: This class is designed to give students a basic understanding of the Japanese language as well as introduce them to aspects of Japanese culture and society. Instruction will focus on conversation, but students will also learn to read and write Japanese characters. The program will culminate with a hand-roll sushi lunch party.

Adult Classes

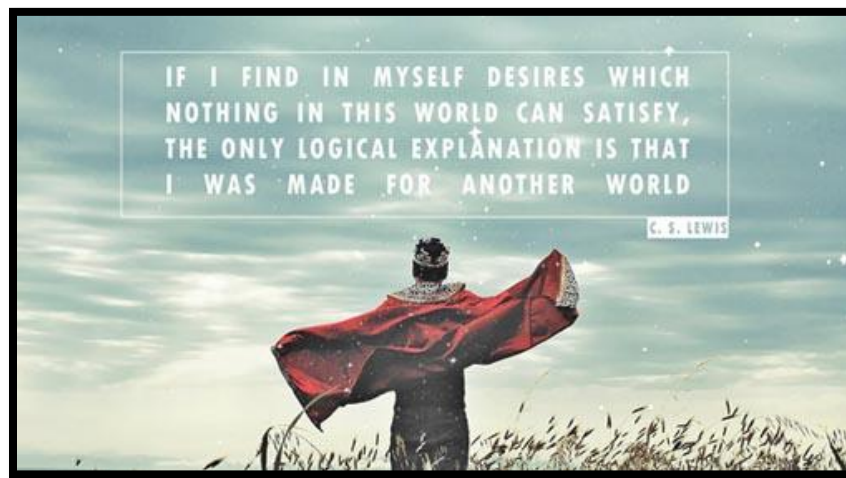

Open to adults of all ages

"Who do you say I am?" Proving that Jesus is the Messiah and the Son of God
\$150 for you and your spouse

Teacher: Brad Finkbeiner

Date and Time: Thursday nights in July (July 11, 18, 25), 7:00 – 9:00 PM

Description: When Christians speak of "sharing their faith" with unbelievers, they often mean sharing their "personal testimony." While that has value, we must go beyond our own feelings and experiences so as to determine whether Jesus is *in fact* who we confess Him to be. Join us for a tour of the historical evidence!

Intro to Hermeneutics
\$150 for you and your spouse

Teacher: Sean Dickard

Date and Time: Thursday nights in August (Aug 1, 8, 15), 7:00 – 9:00 PM

Description: Get a crash course in how to interpret the Bible. In 7th grade, students are taught some fundamentals about interpreting God's Word, and this class introduces parents to the things their kids will learn. The class will introduce you to a pattern of interpretation that allows you to approach any biblical text with the thoughtfulness, care, and effort that God's Word deserves.
