### **Technology needs:**

Computers or tablets that students use should be able to run **full Windows** so that students have access to the full functionality of Office applications (e.g., Word, PowerPoint, Teams). Please note that Chromebooks do not run full Windows and have caused some students difficulty when trying to use them for school needs. Families may download the Office 365 suite of products for free using their student's PCS email address.

**9<sup>th</sup> - 12<sup>th</sup> grades:** Students need **their own computer**, as they will have frequent need for research and/or typing papers and projects.
