

**Continuous Enrollment**

At Providence Classical School, we recognize the value of a sustained, long-term partnership with families in the education of their children. A seamless transition from Grammar School through Rhetoric School provides a consistent, thorough progression through academic coursework. Because of this philosophy, Providence Classical School is pleased to offer a popular service in enrollment management called Continuous Enrollment. From the time of admission, your child will be considered enrolled at PCS through their graduation unless we are otherwise notified by the parent.

### Enrollment Commitment

Families desiring to withdraw their child(ren) from PCS may submit written notification of this decision until January 31 at 5:00 p.m. On February 1 of each school year, your child(ren)'s spot(s) will be secured, and your family will become financially committed for the following school year. This will allow PCS administration to plan for the coming school year with accuracy and excellence. Any withdrawals after this January 31 date are subject to the termination fees below.

### Withdrawals and Termination Fee Schedule

PCS recognizes that there are circumstances in which a family may need to withdraw after completing their enrollment process. Students withdrawing before the first day of school may be excused from the financial contract if there is a waiting pool for the PCS level from which the cancelling student is withdrawing, and a child in that waiting pool enrolls prior to the start of the school year.

Families applying for assistance will be given the opportunity to finalize their enrollment decision once financial awards have been communicated. These families will be given seven calendar days to withdraw their enrollment with no penalty other than the loss of their non-refundable, non-transferable enrollment fee. On the eighth day the Termination Fee Schedule becomes effective.

The Termination Fee Schedule for all other withdrawals is provided below. This fee schedule is designed to ensure accurate planning for the coming year and to protect PCS families who may undergo a major life change over the summer.
