

School Awards 2019-2020

Ephesians Recitation Award

Every year, Mrs. Martin challenges our 6th grade students to cap off their time in Grammar School by reciting the entire book of Ephesians over the course of the year. This feat requires a great deal of personal responsibility, diligence, and determination. For the first time in PCS history, a student has completed this daunting challenge.

Congratulations to the 2019-2020 winner!
