

School Awards 2024-2025

Grammar School Art Award

God is a God of beauty. In art, Grammar students learn the universal language of art in order to share God's truth, beauty, and goodness with others. Studio lessons integrate the Christian worldview. Students as apprentices learn to steward the art materials while practicing techniques. At young ages, students learn the creative process, which can be applied to all forms of decision-making in the future. Fine art exemplars are presented and often chosen as copy work to make connections with the other subjects or develop virtuous habits. Art does more than please the eye; it develops concentration and problem-solving skills and expands the imagination. Art is a visual form of thinking. Each year we recognize one student from each Grammar School grade level who exhibited a growth mindset and excellent studio habits while pursuing beauty through applied art techniques.
