

School Awards 2024-2025

Math Olympiad Awards

Providence Grammar School students in 4th-6th grades participate in Math Olympiad, a monthly math competition in which the students solve unusual and difficult math problems that stimulate creative thinking and problem-solving. Over 200,000 students compete in Math Olympiad worldwide. Students who place in the top 50% worldwide receive patches. The top PCS student from each competing grade receives a medal.

Congratulations to the 2024-2025 winners!

Top 3 PCS Students

Medal Winners!

4th Grade: Jackson Douglass
