SUMMER

SUMMER CAMP CATALOG

EDUCATIONAL & ACTIVE CAMPS
FOR PRE-K - 12TH GRADE
JUNE 8 - AUGUST 20

LET'S HAVE FUN!

WELCOME!

Providence Classical School is passionate about expanding our already joyful, safe, and enriching environment to our summer season, where young minds can continue to discover the beauty of God's world through hands-on learning. Our camps are designed to spark curiosity, cultivate wonder, and encourage a love for truth, goodness, and beauty. We look forward to journeying alongside your children as they explore, create, and grow this summer at PCS!

EXPLORATION CAMPS

PROVIDENCE CLASSICAL SCHOOL

Summer Academic, Fine Arts, and Athletic Camps

for students *entering*.

Pre-K through 12th Grade

Pre-K students must be age 4 and fully potty trained by May 1, 2026.

Exploration Camps are open to PCS students AND members of the community!

Camps run Mondays-Thursdays

June 8-August 20

Session A: 9:00-11:30 a.m.

Session B: 12:30-3:00 p.m.

\$30 Registration Fee until May 1

\$50 After May 1

Fee is per student for the summer and includes a camp T-shirt.

\$175/Session

\$15/Week Lunch Bunch (optional)

Campers who register for a morning and/or afternoon camp the same week can stay from 11:30-12:30 for an additional \$15. Camp counselors will supervise campers while eating lunch and playing.

**Hot lunches will be
available for pre-order!**

Information on lunch orders will be emailed to registered families in May.

CAMPS

REGISTRATION

Registration & Payment – Exciting News This Year!

We've made signing up easier than ever with Sawyer, our brand-new online platform! We recommend that you use this brochure to select your camps before registering online in Sawyer. Please complete a separate online registration for each child.

Exploration Camps & Athletic Workouts:

Kick things off by selecting an “annual membership” – just **\$30 through May 1 (or \$50 after May 1)**. This serves as your annual registration fee, which includes a T-shirt. From there, picking your child's camps and sessions is a breeze! And **be sure to add Lunch Bunch** if your child needs to stay on campus from 11:30 a.m.-12:30 p.m.

Academic Bootcamps:

No membership needed! Simply choose your sessions and prepay to lock in your spot.

Cancellations & Changes:

If a session doesn't reach its minimum enrollment by May 31, we might need to cancel it. But don't worry – we'll help you find another great option or issue a full refund. We know summer life is full of surprises, and we're here to help! **While sessions are non-refundable, they are transferable** – so if your plans shift, we've got you covered.

Drama Camp (4th-8th)

WEEK 1

Week 1

JUNE 8-11

SESSION A

9:00-11:30 a.m.

There will be no morning session this week. Students who attend Vacation Bible School at Faithbridge Church in the morning can register to ride the PCS bus to our campus to eat lunch and attend afternoon session summer camps for \$15/day.

SESSION B

12:30-3:00 p.m.

Little Builders (Pre-K & Kinder)

with Mrs. Jessica Roberts

Young builders, this one's for you! Drawing inspiration from the ultimate Master Builder, campers will explore fascinating structures, tools, and stories from the Bible. Through literature, art, and hands-on math activities, they'll bring their own creations to life while building confidence and fine motor skills every step of the way.

Backyard Science (1st-3rd)

with Mrs. Rochelle Jennings

Calling all young scientists! This camp ignites curiosity and wonder as campers explore God's creation through hands-on – and yes, sometimes messy – science and nature activities.

Ink & Independence (4th-6th)

with Mrs. Katherine McCarty

Travel back in time and write like a Founding Father! Campers will dig into American historical documents while strengthening their penmanship and grammar skills – including parts of speech, sentence writing, and diagramming. And for a truly historic experience, we'll even break out the quill pens and ink! This camp gives campers a strong foundation in language arts skills they'll use throughout their school years.

SESSION B (CONT)

12:30-3:00 p.m.

Week 1

Watercolor & Worship (4th-8th)

with Mrs. Kasi Bachelder

God is the ultimate Creator – and He has placed that creativity in each of us! This camp gives 4th-8th graders the space to explore and grow their artistic gifts through watercolor painting, poetry writing, and singing. With each brushstroke, written word, and sung note, campers will discover new skills and deepen their faith through the beauty of worshipful artistic expression!

Paper Palooza (4th-8th)

with Ms. Emma Price

Get ready to craft, create, and take home something amazing! This hands-on paper crafts camp is packed with beautiful and practical projects that will unleash your camper's inner artist. From designing heartfelt handmade cards and experimenting with watercolor techniques to creating stunning collage art on a clipboard, there's something new and exciting every day. Campers will also craft decorative paper bows, flowers, and garlands to take home and show off – all while building confidence, creativity, and an eye for beautiful craftsmanship!

Volleyball & Basketball (1st-6th - Boys & Girls)

with Coach Melvin Roberts

Get ready to sweat, learn, and have a blast! This action-packed sports camp combines volleyball and basketball for a fun-filled week of skill building. In volleyball, campers will learn the rules, passing, setting, and hitting – with older campers also diving into serving, receiving, digs, and court awareness. On the basketball court, coaches will focus on dribbling, passing, and shooting, while older campers level up with offense, defense, and team play. Every day wraps up with a scrimmage! Please bring a water bottle and wear athletic clothing and basketball shoes.

[Click here to register!](#)

WEEK 2

JUNE 22-25 ····

SESSION A

9:00-11:30 a.m.

Fruit of the Spirit (Pre-K & Kinder)

with Mrs. Jessica Roberts

Little campers will dig into the Fruit of the Spirit while exploring the wonderful world of plants and fruits. Through colorful art projects, fun phonics, storytime, and hands-on math activities, campers will learn and grow – and even work on memorizing Galatians 5:22-23!

Camping Fun 101 (1st-3rd)

with Mrs. Katherine McCarty

Whether your camper is a seasoned outdoor explorer or has never slept under the stars, this is the perfect introduction to the joy of camping and the beauty of God's creation. Campers will build excitement and confidence through hands-on outdoor activities that will have them begging for more time outside!

Kingdom Kids (1st-3rd)

with Mrs. Rochelle Jennings

This camp takes 1st-3rd graders on an exciting journey through some of the Bible's most beloved and powerful figures – Queen Esther, King David, King Solomon, and King Josiah. Each day brings a new story, a new lesson, and a new reminder that God has a mighty plan for each and every one of us – just like He did for them!

Here Am I, Send Me! (4th-6th)

with Mrs. Amy Cross

This exciting camp challenges 4th-6th graders to discover how they can make a real difference in God's kingdom right now. Campers will explore inspiring organizations in Houston and around the world that are spreading the gospel and serving those in need, then discuss practical ways to get involved at any age. The best part? We won't just talk about it – we'll put our faith into action and get to work!

Best of Broadway! (4th-8th)

with Mrs. Kasi Bachelder

Campers will dive into the performing arts through acting, music, and movement, learning how to bring a character to life and command the stage with their voice. On the last day of camp, they'll take the stage to perform for family and friends. Whether your camper is a seasoned performer or a first-timer, this is their week to shine!

SESSION B

12:30-3:00 p.m.

Week 2

God's Paintbrush (Pre-K & Kinder)

with Mrs. Jessica Roberts

Get ready for a week full of color, creativity, and faith! Each day brings a brand new primary color to explore through play, read-alouds, and hands-on challenges that help little ones build fine motor skills and learn to work together. And by the end of the week? All those colors come together to create a beautiful rainbow – just like the one God placed in the sky as a promise of His love and faithfulness to Noah and all of creation!

Mad Science (1st-3rd)

with Mrs. Rochelle Jennings

Put on your lab coat and prepare for an unforgettable week of science! Campers will channel their inner mad scientist through exciting hands-on experiments, mind-blowing reactions, and wild discoveries that make science come alive. From fizzing and foaming to shocking surprises, every day brings something new, unexpected, and absolutely amazing. Science has never been this much fun!

Sew Much Fun! (4th-8th)

with Ms. Emma Price

Learn a skill that will last a lifetime! This hands-on sewing camp takes 4th-8th graders from total beginner to confident creator in just one week. Campers will learn to safely operate a sewing machine, sew straight seams and simple shapes, thread a needle, tie off stitches, and sew on buttons – plus master basic hand stitches for repairs and finishing. By the end of camp, every camper will walk away with completed machine-sewn and hand-sewn projects they made entirely on their own!

Soccer & Flag Football (1st-6th - Boys & Girls)

with Coaches Chip Bachelder & Melvin Roberts

Two amazing sports, one action-packed session! Campers will split their time between flag football and soccer, building skills in both sports. From throwing, catching, and running routes on the football field to dribbling, passing, and shooting on the soccer field – there's never a dull moment! And don't worry about the summer heat – soccer will take place in the cool comfort of the gym! A perfect session for any young athlete ready to learn, compete, and have a blast. Please bring a water bottle and wear athletic clothing, shin guards, and tube socks. No cleats please!

WEEK 3

JULY 13-16

SESSION A

9:00-11:30 a.m.

Barnyard Buddies! (Pre-K & Kinder)

with Mrs. Rochelle Jennings

Welcome to the farm! Little campers will discover the amazing world of goats, cows, horses, and more through a fun mix of art, read-alouds, math, and phonics activities. Every day brings a new animal adventure designed to build important motor skills and a love and appreciation for all that God has made. Get ready for an udderly fantastic week!

Nature Explorers (1st-3rd)

with Mrs. Jessica Roberts

Discover God's creation! Nature Explorers gives young adventurers the chance to get outside, get curious, and get hands-on with the incredible world God made. From fascinating plants and creatures to the beauty of the outdoors, campers will spend the week exploring, discovering, and growing in wonder and appreciation for God's magnificent creation!

Papyrus & Print (1st-3rd)

with Ms. Stephanie Craig

Campers will travel back to ancient Egypt to discover the secrets of one of history's most fascinating civilizations! They'll create their own papyrus paper, learn how ink was made thousands of years ago, and write and decode ancient hieroglyphic texts like true historians. It's history, art, and adventure all rolled into one incredible week!

Recorder/Piano Kung Fu (4th-6th)

with Mr. Wade Butin

Get ready for an amazing week of music with the one and only Mr. Butin, a symphony musician who plays more instruments than most people can name! Campers will fine-tune their music reading skills and level up their piano or recorder playing while working through the Recorder Kung Fu belt program – all in a fun, encouraging environment that will leave them loving music even more!

Watercolor & Worship (4th-8th)

with Mrs. Kasi Bachelder

God is the ultimate Creator – and He has placed that creativity in each of us! This camp gives 4th-8th graders the space to explore and grow their artistic gifts through watercolor painting, poetry writing, and singing. Campers will discover new skills and deepen their faith through the beauty of worshipful artistic expression!

SESSION B
12:30-3:00 p.m.

Space Explorers (Pre-K & Kinder)

with Mrs. Rochelle Jennings

Prepare to blast off into our solar system to learn about the sun, the earth's moon, and other planets. We will explore what it takes to become astronauts and explore the beauty of God's creation in space.

Water Works (1st-3rd)

with Mrs. Jessica Roberts

We will investigate the forms and stages of water, exploring stories like Jesus calming the waters and declaring He is the Living Water. Students will also learn the names and locations of different bodies of water around the world and Who is in control of them all.

Mummies Unwrapped (1st-3rd)

with Ms. Stephanie Craig

Campers will discover the fascinating world of mummification, learning why and how ancient civilizations created mummies. The best part? Campers will actually try it themselves – using apples and salt to begin the mummification process and wrapping their very own mummy using some of the same techniques used by the ancients!

Paper Palooza (4th-8th)

with Ms. Emma Price

Craft, create, and take home something amazing! This hands-on camp is packed with beautiful and practical projects that will unleash your camper's inner artist. From designing heartfelt, handmade cards and experimenting with watercolor techniques to collaging a clipboard and creating paper garlands, there's something exciting every day!

Through the Lens (7th-8th)

with Mr. Wade Butin

Learn the art and science of digital photography using a professional mirrorless digital camera! Campers will discover how to capture the beauty of God's creation in stunning snapshots, then learn to edit and prepare their photos for print or digital storage using Adobe Photoshop. A perfect camp for any budding photographer!

Golf & Pickleball (1st-6th - Boys & Girls)

with Coaches Amy Haaland & Melvin Roberts

Campers will split their time between the golf course and the pickleball court, learning the fundamentals of two of the fastest growing sports around. From perfecting their swing and learning golf etiquette to mastering serves, volleys, and strategy on the pickleball court, there's never a dull moment!

WEEK 4

JULY 20-23

SESSION A

9:00-11:30 a.m.

Little Builders (Pre-K & Kinder)

with Mrs. Jessica Roberts

Drawing inspiration from the ultimate Master Builder, campers will explore fascinating structures, tools, and stories from the Bible. Through literature, art, and hands-on math activities, they'll bring their own creations to life while building confidence and fine motor skills every step of the way.

Backyard Science (1st-3rd)

with Mrs. Rochelle Jennings

Calling all young scientists! This camp ignites curiosity and wonder as campers explore God's creation through hands-on – and sometimes messy – science and nature activities.

Papyrus & Print (1st-3rd)

with Ms. Stephanie Craig

Campers will travel back to ancient Egypt to discover the secrets of one of history's most fascinating civilizations! They'll create their own papyrus paper, learn how ink was made thousands of years ago, and write and decode ancient hieroglyphic texts like true historians. It's history, art, and adventure all rolled into one incredible week!

Never Bored: Board Games (1st-3rd)

with Mrs. Raquel Reenders

Game on! Campers will learn and play a variety of card games and board games in a fun and friendly environment. They will learn proper gaming etiquette, scorekeeping, and – most importantly – how to win and lose with kindness and grace. It's a week of laughter, strategy, and good sportsmanship that will have campers asking to play again and again!

Story of My Life! (4th-6th)

with Mrs. Amy Cross

This creative and faith-filled camp gives 4th-6th graders the chance to craft a beautiful handmade book about their own life while exploring the inspiring stories of men and women who lived with character, purpose, and a passion for God's glory. Through biography, autobiography, and hands-on bookmaking, campers will leave inspired to impact their world for Christ – one chapter at a time!

Dragon Legends & Lore (4th-6th)

with Mrs. Tami Fanning

Dragons, dinosaurs, and ancient legends – could they all be connected? Campers will explore the potential link between dragons and dinosaurs and discover what the Bible has to say about these mysterious creatures. Dive into legendary tales including *St. George and the Dragon* in both English and Latin, the story of a Roman legion's battle with a dragon, and other epic dragon legends from around the world. It's history, Scripture, and adventure all rolled into one unforgettable week!

For Girls Only! (4th-8th)

with Mrs. Kasi Bachelder

Girls will work on Diamond Dot art projects, learn and practice hair braiding techniques, and learn about important women in the Bible and church history!

SESSION B
12:30-3:00 p.m.

Fruit of the Spirit (Pre-K & Kinder)

with Mrs. Jessica Roberts

Little campers will dig into the Fruit of the Spirit while exploring the wonderful world of plants and fruits. Through colorful art projects, fun phonics, storytime, and hands-on math activities, campers will learn and grow – and even work on memorizing Galatians 5:22-23!

Everyday Math Explorers (1st-3rd)

with Mrs. Rochelle Jennings

This is the perfect camp for curious kids who love to discover, investigate, and solve! Campers will dive into the exciting world of everyday math through hands-on activities and real-world challenges that make numbers, patterns, and problem solving come alive. It will have campers saying, "I never knew math could be this fun!"

Mummies Unwrapped (1st-3rd)

with Ms. Stephanie Craig

Campers will discover the fascinating world of mummification, learning why and how ancient civilizations created mummies. The best part? Campers will actually try it themselves – using apples and salt to begin the mummification process and wrapping their very own mummy using some of the same techniques used by the ancients!

Volleyball & Basketball (1st-6th - Boys & Girls)

with Coach Melvin Roberts

Serve, spike, dribble, and shoot – this camp has it all! Campers will develop fundamental skills in both volleyball and basketball with age-appropriate coaching designed to meet every camper where they are. Please bring a water bottle and wear athletic clothing and basketball shoes.

WEEK 5

AUGUST 3-6

SESSION A

9:00-11:30 a.m.

Barnyard Buddies! (Pre-K & Kinder)

with Mrs. Rochelle Jennings

Welcome to the farm! Little campers will discover the amazing world of goats, cows, horses, and more through a fun mix of art, read-alouds, math, and phonics activities. Every day brings a new animal adventure designed to build important motor skills and a love and appreciation for all that God has made. Get ready for an udderly fantastic week!

Kingdom Kids (1st-3rd)

with Mrs. Jessica Roberts

This camp takes 1st-3rd graders on an exciting journey through some of the Bible's most beloved and powerful figures – Queen Esther, King David, King Solomon, and King Josiah. Each day brings a new story, a new lesson, and a new reminder that God has a mighty plan for each and every one of us – just like He had for them!

Rubik's & Riddles (4th-6th)

with Mrs. Amy Cross

Think you have what it takes to solve a Rubik's cube? This camp is designed for focused, patient, and determined campers who are ready to crack the code! Campers will learn the step-by-step process to solve a Rubik's cube completely, while also tackling other mind-bending puzzles that sharpen problem solving skills and mathematical thinking.

Critical Thinking & Strategy Games (4th-8th)

with Mrs. Mandy Hayes

Warning: this camp may cause serious brain growth! Campers will spend the week tackling an exciting variety of games, brain teasers, and puzzles carefully designed to build critical thinking and strategy skills. It's the perfect camp for curious, creative, and competitive minds who love to think outside the box!

Sew Much Fun! (4th-8th)

with Ms. Emma Price

Learn a skill that will last a lifetime! This hands-on sewing camp takes 4th-8th graders from total beginner to confident creator in just one week. Campers will learn to safely operate a sewing machine, sew straight seams and simple shapes, thread a needle, tie off stitches, and sew on buttons – plus master basic hand stitches for repairs and finishing. Campers will take home machine-sewn and hand-sewn projects they made entirely on their own!

SESSION A (CONT)

9:00-11:30 a.m.

Week 5

Through the Lens (7th-8th)

with Mr. Wade Butin

Learn the art and science of digital photography using a professional mirrorless digital camera! Campers will discover how to capture the beauty of God's creation in stunning snapshots, then learn to edit and prepare their photos for print or digital storage using Adobe Photoshop. A perfect camp for any budding photographer!

SESSION B

12:30-3:00 p.m.

Space Exploration (Pre-K & Kinder)

with Mrs. Rochelle Jennings

Prepare to blast off into our solar system to learn about the sun, the earth's moon, and other planets. We will explore what it takes to become astronauts and explore the beauty of God's creation in space.

Mad Science (1st-3rd)

with Mrs. Jessica Roberts

Campers will channel their inner mad scientist through exciting hands-on experiments, mind-blowing reactions, and wild discoveries that make science come alive. From fizzing and foaming to shocking surprises, every day brings something new, unexpected, and absolutely amazing. Science has never been this much fun!

Recorder/Piano Kung Fu (4th-6th)

with Mr. Wade Butin

Get ready for an amazing week of music with the one and only Mr. Butin, a symphony musician who plays more instruments than most people can name! Campers will fine-tune their music reading skills and level up their piano or recorder playing while working through the Recorder Kung Fu belt program – all in a fun, encouraging environment that will leave them loving music even more!

with Ms. Emma Price

Craft, create, and take home something amazing! This hands-on camp is packed with beautiful and practical projects that will unleash your camper's inner artist. From designing heartfelt, handmade cards and experimenting with watercolor techniques to collaging a clipboard and creating paper garlands, there's something exciting every day!

SESSION B (CONT)

12:30-3:00 p.m.

Week 5

Hello, Hogwarts! (4th-8th)

with Ms. Laryssa Nesbit

Calling all wizards – your acceptance letter has arrived! From the moment you arrive, you will leave the Muggle world behind and step into the role of a scholar at Hogwarts! Explore extraordinary classes such as Care of Magical Creatures, Transfiguration, and Potions, and try your hand at making your own wand, creating a golden snitch, and crafting magical potions. Come dressed in your Hogwarts robes or traditional Muggle attire. The adventure of a lifetime awaits – welcome to the wonderful world of Harry Potter!

Pickleball & Flag Football (1st-6th - Boys & Girls)

with Coach Melvin Roberts

Two sports, one action-packed session! Campers will split their time between the pickleball court and the football field, building skills and having a blast in both sports. From mastering serves, volleys, and strategy on the pickleball court to throwing, catching, and running routes on the football field, there's never a dull moment! With age-appropriate coaching for all skill levels, this is the perfect camp for any young athlete ready to learn, compete, and have fun!

Register Online
Today!

WEEK 6

AUGUST 10-13 · · · ·

SESSION A

9:00-11:30 a.m.

Little Foodies (Pre-K & Kinder)

with Mrs. Leila Fricks

Get ready for the yummiest camp of the summer! Little learners will go on a delicious adventure through the world of food – exploring, creating, and of course, tasting along the way! Through hands-on food activities, storytime, art, and math, campers will discover where food comes from, how it is made, and why God gave us so many amazing and colorful foods to enjoy. It's a week of messy, tasty, and totally irresistible fun!

Sand, Dirt, and Smiles! (1st-3rd)

with Mrs. Jessica Roberts

Dirty hands and big smiles guaranteed! This camp is exactly what it sounds like – a week of gloriously messy, hands-on exploration through the wonderful world of sand and dirt! Campers will dig, build, experiment, and discover as they explore God's creation from the ground up. Please send a change of clothes!

Which "Art" in Heaven (4th-6th)

with Ms. Laryssa Nesbit

Campers will create their own heavenly masterpieces! Using both traditional and unexpected materials, they'll paint a fresco on plaster like Michelangelo, design a sparkling mosaic with carefully arranged beads, and master a beautiful lettering style inspired by the monks who once copied Scripture by hand. They'll even create their own stained glass designs and gain a whole new appreciation for God's inspiration!

Recorder/Piano Kung Fu (4th-6th)

with Mr. Wade Butin

Get ready for an amazing week of music with the one and only Mr. Butin, a symphony musician who plays more instruments than most people can name! Campers will fine-tune their music reading skills and level up their piano or recorder playing while working through the Recorder Kung Fu belt program – all in a fun, encouraging environment that will leave them loving music even more!

Critical Thinking & Strategy Games (4th-8th)

with Mrs. Mandy Hayes

Warning: this camp may cause serious brain growth! Campers will spend the week tackling an exciting variety of games, brain teasers, and puzzles carefully designed to build critical thinking and strategy skills. It's the perfect camp for curious, creative, and competitive minds who love to think outside the box!

SESSION B

12:30-3:00 p.m.

Week 6

Sand, Dirt, and Smiles! (Pre-K & Kinder)

with Mrs. Jessica Roberts

Dirty hands and big smiles guaranteed! This camp is exactly what it sounds like – a week of gloriously messy, hands-on exploration through the wonderful world of sand and dirt! Campers will dig, build, experiment, and discover as they explore God's creation from the ground up. Please send a change of clothes!

Little Foodies (1st-3rd)

with Mrs. Leila Fricks

Get ready for the yummiest camp of the summer! Little learners will go on a delicious adventure through the world of food – exploring, creating, and of course, tasting along the way! Through hands-on food activities, storytime, art, and math, campers will discover where food comes from, how it is made, and why God gave us so many amazing and colorful foods to enjoy. It's a week of messy, tasty, and totally irresistible fun!

Rube Goldberg Made Me Do It! (4th-6th)

with Ms. Laryssa Nesbit

Why do a simple task when you can build a machine to do it for you? Inspired by the wildly creative Rube Goldberg machines we all love to watch, we'll start with the basics and work our way up to zany, artistic engineering experiments. Along the way campers will design and build their own chain-reaction creations while exploring the fascinating laws of science that make them work. If your child loves designing, creating, building, and tinkering, this camp will spark their imagination – and may just set off a domino effect on their future as an inventor!

Dragon Legends & Lore (4th-6th)

with Mrs. Tami Fanning

Dragons, dinosaurs, and ancient legends – could they all be connected? Campers will explore the potential link between dragons and dinosaurs and discover what the Bible has to say about these mysterious creatures. Dive into legendary tales including *St. George and the Dragon* in both English and Latin, the story of a Roman legion's battle with a dragon, and other epic dragon legends from around the world. It's history, Scripture, and adventure all rolled into one unforgettable week!

Through the Lens (7th-8th)

with Mr. Wade Butin

Learn the art and science of digital photography using a professional mirrorless digital camera! Campers will discover how to capture the beauty of God's creation in stunning snapshots, then learn to edit and prepare their photos for print or digital storage using Adobe Photoshop. A perfect camp for any budding photographer!

SESSION B (CONT)

12:30-3:00 p.m.

Week 6

Soccer & Golf (1st-6th - Boys & Girls)

with Coaches Chip Bachelder & Amy Haaland

Why choose just one sport when you can play two? This exciting camp combines the best of golf and soccer for a week full of skill-building and fun. During golf sessions, campers will work on improving their swings, practicing putting, and learning proper course etiquette. On the soccer field, players will develop ball-handling skills and grow as teammates. Campers should bring their own golf clubs and a water bottle and wear athletic clothing, shin guards, and tube socks, but **NO CLEATS**.

WEEK 7

AUGUST 17-20 ····

SESSION A

9:00-11:30 a.m.

Mini Math Explorers (Pre-K & Kinder)

with Mrs. Rochelle Jennings

One, two, three – let's explore! Mini Math Explorers is the perfect camp for little learners who are just beginning to discover the wonderful world of numbers! Through hands-on activities, games, songs, and colorful projects, campers will explore counting, patterns, shapes, and so much more in a fun and encouraging environment. It's a week of mathematical discovery designed just for little minds – and big imaginations!

Nature Explorers (1st-3rd)

with Mrs. Jessica Roberts

God's creation is full of amazing things just waiting to be discovered – and this camp is going to find them! Nature Explorers gives young adventurers the chance to get outside, get curious, and get hands-on with the incredible world God made. From fascinating plants and creatures to the beauty of the outdoors, campers will spend the week exploring, discovering, and growing in wonder and appreciation for God's magnificent creation!

Junior Choir (4th-6th)

with Mrs. Angela Barnard

Every voice deserves to be heard – and this camp is the perfect place to let it shine! Calling all young singers in 4th-6th grade to join us for a fun-filled week of vocal warm-ups, choral ensemble, and the pure joy of making music together. No prior experience is needed – just a love of singing and a heart ready to have fun!

Mission Mind Control (4th-6th)

with Ms. Laryssa Nesbit

Your mission, should you choose to accept it – take control of your own brain! At Mission Mind Control camp, 4th-6th graders will play exciting games, tackle tricky puzzles, and solve fun challenges while strengthening the skills that help them plan, focus, remember, and stay organized. Through teamwork, strategy games, and creative problem-solving, campers will train their minds and discover powerful tools that make learning – and everyday life – a little easier and a lot more fun. Are you ready to accept the mission?

SESSION B

12:30-3:00 p.m.

Week 7

Fine Motor, Friendship, and Fun (Pre-K & Kinder)

with Mrs. Rochelle Jennings

Snip, color, paste, and play – and make a few new friends along the way! This delightful camp is designed to help little learners grow their fine motor skills through a fun and creative mix of hands-on activities, art projects, and games. In a warm and welcoming environment, campers will build important skills, discover the joy of creating, and form sweet friendships that make every day at camp even better. It's the perfect week for your little one to learn, laugh, and shine!

Water Works (1st-3rd)

with Mrs. Jessica Roberts

We will investigate the forms and stages of water, exploring stories like Jesus calming the waters and declaring He is the Living Water. Students will also learn the names and locations of different bodies of water around the world and Who is in control of them all.

Critical Thinking & Strategy Games (4th-8th)

with Mrs. Mandy Hayes

Warning: this camp may cause serious brain growth! Campers will spend the week tackling an exciting variety of games, brain teasers, and puzzles carefully designed to build critical thinking and strategy skills. It's the perfect camp for curious, creative, and competitive minds who love to think outside the box!

Act Up! Drama Camp (4th-8th)

with Mrs. Angela Barnard

Born to perform? This camp is the ultimate playground for 4th-8th graders who love to sing, dance, act, and express themselves with unbridled creativity and enthusiasm. Through exciting drama games and activities, campers will build confidence, sharpen their communication skills, learn to think on their feet, and discover the power of teamwork – all while having the time of their lives on stage.

COLLEGE BOOTCAMPS

The PCS College Advising Team offers these bootcamps to help PCS students applying for college. We strongly encourage all PCS juniors and seniors to take part in these camps. **Registration is separate from all other summer camps (see below).**

JUNIORS

SAT Bootcamp (11th)

Monday-Thursday, August 10-13

8:30 a.m.-12:30 p.m.

PCS Logic School Rm 102

\$200

Register online by August 1: *Coming Soon!*

with Ms. Kavita Wadhwa

Providence hosts this annual SAT bootcamp led by a highly experienced local test prep professional. The bootcamp will cover material and tips for the digital SAT.

SENIORS

College Application Bootcamp (12th)

Monday-Thursday, August 3-6 ***AND***

Monday-Thursday, August 10-13

10:00 a.m.-3:00 p.m.

PCS Forum

FREE

with Mrs. Tonya Post and Mrs. Bethany Scott

This college application bootcamp is provided for free to all rising PCS Seniors. Mrs. Post and Mrs. Scott will guide students through applications, essays, resumes, and other important steps of completing their college applications. **Registration is not required.** *Students are encouraged to attend as much as possible.*

ACADEMIC BOOTCAMPS

Refresh key academic skills before school starts! Academic Bootcamps cost \$175 each, run **Monday-Thursday**, and are only open to current PCS students. Academic Bootcamps do not require a separate administration fee and do not include a T-shirt.

DATES	TIME	BOOTCAMP
August 3-6	9:00-10:30	<ul style="list-style-type: none"> • Pre-Algebra (7th)
	10:30-12:00	<ul style="list-style-type: none"> • Algebra I (8th) • Chemistry (11th) • Homer's Song: The Epic of the Odyssey (9th-12th)
	1:00-2:30	<ul style="list-style-type: none"> • Logic School Latin (7th-8th) • Algebra II (10th) • Physics (9th)
August 10-13	10:30-12:00	<ul style="list-style-type: none"> • Calculus (12th)
	1:00-2:30	<ul style="list-style-type: none"> • Pre-Calculus (11th)

AUGUST 3-6

Pre-Algebra Bootcamp (7th)

9:00-10:30 a.m.

with Mrs. Jennifer Foudy

Get ready for Pre-Algebra by refreshing your math skills. Students will review and build fluency with operations and conversions using fractions, decimals, and percentages. In addition, we will work on strengthening mental math skills and flexibility with numbers.

Algebra I Bootcamp (8th)

10:30 a.m.-12:00 p.m.

with Mrs. Lisa Murphy

Get ready for Algebra I by refreshing and strengthening your pre-algebra skills. Students will review all major concepts introduced last year, including solving equations and inequalities, exponent laws, proportional reasoning, and simplifying algebraic expressions.

ACADEMIC BOOTCAMPS

AUG 3-6 (CONT)

Chemistry Bootcamp (11th)

10:30 a.m.-12:00 p.m.

with Mr. Tom Neal

The session will focus on applying unit conversions to the concept of the mole, review significant figures, introduce and discuss the periodicity of the periodic table, and present/discuss the significance of the electron and its relationship to chemical bonding and compound behavior.

Homer's Song: The Epic of the Odyssey (9th-12th)

10:30 a.m.-12:00 p.m.

with Mr. Daniel Chrosniak

Students may use this camp to complete their summer reading requirement!

The current attention to Homer's Odyssey in film and musical theater is helping our society return to this extraordinary story of homecoming, adventure, loss, and love. Join us as we delve into the epic poem that set the paradigm for adventure stories through the ages. With opportunities for mixed-media explorations and possible surprise guests, this camp is for anyone keen to explore a story that will refresh your imagination and embolden your courage.

Logic School Latin Bootcamp (7th-8th)

1:00-2:30 p.m.

with Mrs. Caroline Bentick

Get ready to dive back into Latin! We will review conjugations and declensions learned at each level and will review core vocabulary. Students will also practice translations.

Algebra II Bootcamp (10th)

1:00-2:30 p.m.

with Mrs. Lisa Murphy

Get ready for Algebra II by refreshing your algebra skills. Students will review and strengthen their algebra foundation in preparation for more complex skills introduced in their upcoming math course. We will review concepts such as solving and graphing linear and quadratic functions and inequalities, as well as simplifying exponents, radicals, and rational expressions.

AUG 3-6 (CONT)**Physics Bootcamp (9th)****1:00-2:30 p.m.***with Mr. Tom Neal*

The Physics bootcamp will provide an overview of course basics students can expect to encounter this year, including review topics like unit conversions, scientific notation, Pythagorean theorem, and the metric system, and new topics like significant figures and trigonometric functions. The time together will be helpful in establishing a strong working relationship for the fun and challenging year awaiting us.

AUGUST 10-13**Calculus Bootcamp (12th)****10:30 a.m.-12:00 p.m.***with Mr. Chris Corley*

Increase your math fluency to jump start the Calculus experience! We will review and practice key algebraic and trigonometric components of Calculus. Get ready to practice complex factoring, logarithms, unit circle, trig identities, and complex symbol manipulation. Calculus can be easy, but the algebra can trip us up. Let's strengthen our core skills and dive into Calculus with confidence!

Pre-Calculus Bootcamp (11th)**1:00-2:30 p.m.***with Mr. Chris Corley*

Increase your math fluency to jump start the Pre-Calculus experience! We will review and strengthen algebraic and trigonometric skills that are fundamental to success in Pre-Calculus. Get ready to practice factoring, logarithms, the unit circle, and families of functions. Let's strengthen our core skills and enter the new year with confidence!

ATHLETIC WORKOUTS

\$30 Registration Fee until May 1 | \$50 After May 1

Fee is per student for the summer and includes an athletic workout T-shirt.

Athletic workouts are only open to current PCS students. Minimum of 5 registered participants required by May 30. [Click here to register for Athletic Workouts!](#)

Strength & Conditioning - 1st-12th grade

2 Sessions (Four 4-day weeks each)

Monday-Thursday, 6:00-7:30 p.m.

\$250/session

Session 1: June 1-4, 8-11, 15-18, 22-25

Session 2: June 29-July 2, July 13-16, 20-23, 27-30

Basketball - 9th-12th grade

6 Sessions (4 days each)

Monday-Thursday, 9:30-11:00 a.m.

\$80/session

Sessions: June 8-11, 15-18, 22-25, June 29-July 2, July 13-16, 20-23

Basketball - 5th-8th grade

6 Sessions (4 days each)

Monday-Thursday, 4:00-5:30 p.m.

\$80/session

Sessions: June 8-11, 15-18, 22-25, June 29-July 2, July 13-16, 20-23

Soccer - 5th-8th grade

6 Sessions (4 days each)

Monday-Thursday, 8:30-10:00 a.m.

\$80/session

Sessions: June 8-11, 15-18, 22-25, June 29-July 2, July 13-16, 20-23

Volleyball - 8th-12th grade

3 Sessions (2 days each)

Monday & Wednesday, 11:00 a.m.-12:30 p.m.

\$50/session

Sessions: June 29/July 1, July 13/15, July 20/22

Volleyball - 5th-7th grade

6 Sessions (2 days each)

Tuesday & Thursday, 11:00 a.m.-12:30 p.m.

\$50/session

Sessions: June 9/11, 16/18, 23/25, June 30/July 2, July 14/16, 21/23

LOOKING FOR HELPERS!

SEEKING STUDENT VOLUNTEERS!

We love our Providence students and are looking to partner with energetic 9th-12th graders who enjoy working with children and would like to gain valuable experience and volunteer hours. Student volunteers will assist with Exploration Camps in a variety of roles both in and out of the classroom.
