SUMMER

# SUMMER CAMP CATALOG

EDUCATIONAL & ACTIVE CAMPS  
FOR PRE-K - 12TH GRADE  
JUNE 9 - AUGUST 14

2025

# LET'S HAVE FUN! . . . .

## WELCOME!

As the Summer Coordinator, I am passionate about expanding our already joyful, safe, and enriching environment at Providence to our summer season, where young minds can continue to discover the beauty of God's world through hands-on learning. Our camps are designed to spark curiosity, cultivate wonder, and encourage a love for truth, goodness, and beauty. We look forward to journeying alongside your children as they explore, create, and grow this summer at PCS!

# EXPLORATION CAMPS

## PROVIDENCE CLASSICAL SCHOOL

### Summer Academic, Fine Arts, and Athletic Camps

for students entering.

#### Pre-K through 12th Grade

Pre-K students must be age 4 and fully potty trained by May 1, 2025.

**Exploration Camps are open to PCS students AND members of the community!**

### Camps run Mondays-Thursdays

#### June 9-August 14

Session A: 9:00-11:30 a.m.

Session B: 12:30-3:00 p.m.

#### **\$30 Registration Fee until April 1**

#### **\$50 After April 1**

*Fee is per student for the summer and includes a camp T-shirt.*

#### **\$165/Session**

#### **\$15/Week Lunch Bunch (optional)**

*Campers who register for a morning and afternoon camp the same week can bring a lunch and stay all day for an additional \$15. Camp counselors will supervise campers while eating lunch and playing.*

#### **Hot lunches will be available for purchase!**

*Information on lunch orders will be emailed to registered families in May.*

# EXPLORATION CAMPS

**Register Online Today!**  
**Exploration Camps**

**Complete one registration form per student.** After completing this form, your PCS incidental account will be updated with camp charges by the 15th or the end of the month. Families who do not attend PCS will be billed separately. Full payments complete the registration process and reserve your student's spot on the camp roster. Sessions are transferable, but nonrefundable.

Camps must reach a minimum count of 6 students and have a max capacity of 16 students. If camps do not meet the minimum requirement by May 30, 2025 PCS reserves the right to cancel the session and will offer to transfer payment to another session or issue a full refund.

# EXPLORATION CAMP SCHEDULE

DATES	SESSION A 9:00-11:30	SESSION B 12:30-3:00
<b>WEEK 1</b> June 9-12	<i>Transportation provided for children coming from VBS at Faithbridge. Bring a sack lunch. Cost: \$15/week</i>	<ul style="list-style-type: none"> <li>• <b>God's Garden</b> (Pre-K/K)</li> <li>• <b>Writing in Ancient Egypt</b> (1st-3rd)</li> <li>• <b>Ink and Independence</b> (4th-6th)</li> <li>• <b>Volleyball</b> (1st-6th)</li> </ul>

# WEEK 1

Week 1

## JUNE 9-12 . . . .

### SESSION A

9:00-11:30 a.m.

There will be no morning session this week. Students who attend Vacation Bible School at Faithbridge Church in the morning can register to ride the PCS bus to our campus to eat lunch and attend afternoon session summer camps for \$15/day.

### SESSION B

12:30-3:00 p.m.

#### **God's Garden (Pre-K & Kinder) - Supply fee \$5**

*with Mrs. Jessica Roberts*

Students will enjoy fun, hands-on learning activities involving plants, bugs, and the environment. These activities will be geared towards exploration & fine motor development, including literature, art, and movement.

#### **Writing in Ancient Egypt (1st-3rd) - Supply fee \$5**

*with Ms. Stephanie Craig*

Students will create a version of "papyrus" paper, learn about ink-making in ancient times, and write and decode ancient hieroglyphic texts.

#### **Ink & Independence (4th-6th)**

*with Mrs. Kerry Price*

Take a note from American History while practicing cursive and grammar, including parts of speech, sentence writing, and diagramming! We'll learn using historical documents and even quill pens and ink! This camp is intended to be helpful for new/newer students or anyone who needs help in these areas.

#### **Volleyball (1st-6th - Boys & Girls)**

*with Coach Mallori Howington*

This skills camp will help children develop and build basic volleyball skills. Younger participants will focus on learning volleyball rules, passing, setting, and hitting. Older students will work on the basics but also focus on serving and receiving, digs, hitting, and court awareness. Participants should bring a water bottle and wear athletic clothing.

# WEEK 2

## JUNE 16-19 . . . .

### SESSION A

9:00-11:30 a.m.

#### **Fruit of the Spirit (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

Participants will study the Fruit of the Spirit and memorize Galatians 5:22-23. We will also explore plants and fruits, incorporating math, phonics, literature, and art.

#### **Backyard Science (1st-3rd)**

*with Mrs. Adrienne Collins*

This camp will inspire curiosity and wonder in God's creation with hands-on (and sometimes messy) exploration of nature and science. Each day will include a story, a lesson, and an activity to demonstrate the scientific method. Campers will leave each day with a completed project and suggested extension activities for continued home exploration and family discussion.

#### **A Pack of Paper Possibilities (4th-6th)**

*with Mrs. Amy Haaland*

So many beautiful creations can be made with just a little paper and some imagination! Join Mrs. Haaland as she teaches some of her favorite "Created for a Purpose" paper art projects. The focus for the week will be floral and nature art reflecting the beauty of God's creation.

#### **Ancient Art Projects and Art Appreciation (4th-6th)**

*with Mrs. Nicole Henry*

Students will explore the ancient world with hands-on art projects and art appreciation time.

#### **How to Solve a Rubik's Cube & Other Puzzles (4th-6th)**

*with Mrs. Amy Cross*

With a small group of serious and patient learners, we would learn the steps to solving a Rubik's cube completely. They would also be introduced to other puzzles involving problem solving skills and mathematics.

## SESSION B

12:30-3:00 p.m.

### **Farm Animals (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

We will study goats, cows, horses, and other farm animals, focusing on motor development while incorporating math concepts, phonics, literature, and art techniques.

### **Spanish Camp (1st-3rd) - Supply Fee \$10**

*with Mrs. Amy Marusik*

Join us on a journey through 4 different Hispanic countries while gaining world geography skills and simultaneously being introduced to basic Spanish words and conversational phrases! We will play games, sample foods, sing songs (including worship!), and do crafts while at the same time learning numbers, colors, and greetings/goodbyes/useful phrases.

### **Mixed Media Mania (4th-6th)**

*with Mrs. Amy Haaland*

Mrs. Haaland will be teaching some of her favorite "Created for a Purpose" sculpture projects during this fun session of creative exploration! We will create fantastic 3D art using a mixture of media - string, paint, paper, beads, and other common materials - to reflect the creativity of our Creator.

### **Volleyball (1st-6th - Boys & Girls)**

*with Coach Mallori Howington*

This skills camp will help children develop and build basic volleyball skills. Younger participants will focus on learning volleyball rules, passing, setting, and hitting. Older students will work on the basics but also focus on serving and receiving, digs, hitting, and court awareness. Participants should bring a water bottle and wear athletic clothing.

**Register Online Today!**  
**Exploration Camps**

# WEEK 3

## JULY 14-17 . . . .

### SESSION A

9:00-11:30 a.m.

#### **Fruit of the Spirit (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

Participants will study the Fruit of the Spirit and memorize Galatians 5:22-23. We will also explore plants and fruits incorporating math, phonics, literature and art.

#### **Backyard Science (1st-3rd)**

*with Mrs. Adrienne Collins*

This camp will inspire curiosity and wonder in God's creation with hands-on (and sometimes messy) exploration of nature and science. Each day will include a story, a lesson, and an activity to demonstrate the scientific method. Campers will leave each day with a completed project and suggested extension activities for continued home exploration and family discussion.

#### **Watercolor Art & Poetry Camp (4th-8th) - Supply fee \$10**

*with Mrs. Kasi Bachelder*

Students will be introduced to some of the great poets, write their own poetry in the style of these poets, and create original watercolor artwork to illustrate their poems.

#### **Critical Thinking & Brain Games (4th-8th)**

*with Mrs. Mandy Hayes*

Participants will learn games, brain teasers, and puzzles that teach critical thinking skills and strategy.

## SESSION B

12:30-3:00 p.m.

### **Farm Animals (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

We will study goats, cows, horses, and other farm animals, focusing on motor development while incorporating math concepts, phonics, literature, and art techniques.

### **Writing in Ancient Egypt (1st-3rd) - Supply Fee \$5**

*with Ms. Stephanie Craig*

Students will create a version of "papyrus" paper, learn about ink-making in ancient times, and write and decode ancient hieroglyphic texts.

### **Worship Team Camp (4th-12th)**

*with Mrs. Kasi Bachelder*

Students will learn about why corporate worship is so important in the life of a believer. They will also learn vocal techniques, harmonization, and microphone techniques. They will try out different instruments, write their own worship songs, navigate sound equipment, and learn the dynamics of being part of a worship band.

### **Basketball (1st-6th - Boys & Girls)**

*with Coach Melvin Roberts*

This skills camp will focus on building ball-handling and teamwork skills. For the younger ages, coaches will focus on dribbling, passing, and shooting. Older kids will work on the basics and also focus on offense and defense, leadership, and team play. Every camp day will end with the chance to scrimmage. Participants should bring a water bottle and wear athletic clothing and basketball shoes.

**Register Online Today!**  
**Exploration Camps**

# WEEK 4

## JULY 21-24 . . . .

### SESSION A

9:00-11:30 a.m.

#### **Exploring Space (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

Prepare to blast off into our solar system to learn about the sun, the Earth's moon, and other planets. We will explore what it takes to become astronauts and explore the beauty of God's creation in space.

#### **Backyard Science (1st-3rd)**

*with Mrs. Adrienne Collins*

This camp will inspire curiosity and wonder in God's creation with hands-on (and sometimes messy) exploration of nature and science. Each day will include a story, a lesson, and an activity to demonstrate the scientific method. Campers will leave each day with a completed project and suggested extension activities for continued home exploration and family discussion.

#### **French for Grammar School (4th-6th)**

*with Mrs. Amy Cross*

Students will learn useful vocabulary and grammar. They will also learn interesting information about French culture, cuisine, the geography of France, and Parisian landmarks.

#### **Musical Theater (4th-8th)**

*with Mrs. Kasi Bachelder*

Participants will learn about acting, music, and movement. They will learn to develop a character and project their voices in speaking and singing. On Thursday evening, they will perform a scene for family and friends to showcase what they have learned!

#### **Intro to Photography and Editing (7th-12th)**

*with Mr. Wade Butin*

Using the camera on a cell phone is becoming more popular but will never replace the quality of a dedicated mirrorless digital camera. This one-week course will familiarize students with a digital camera and how to capture God's beauty in a snapshot. It will also teach them how to prepare photos for print or digital storage using Adobe Photoshop.

## SESSION B

12:30-3:00 p.m.

### **Exploring our Five Senses (Pre-K & Kinder)**

*with Mrs. Rochelle Jennings*

Students will learn about their five senses through hands-on activities and experiencing God's creation (both indoors and out). We will read books, sing songs, and get our hands dirty.

### **Fun with Art (4th-6th)**

*with Mrs. Dee Burgess*

This art camp will include tie-dye, foam art, and drawing skills. This fun, hands-on class will cultivate a love of art in each student.

### **Recorder & Piano Kung Fu (4th-6th)**

*with Mr. Wade Butin*

Does your child wish they had time to pass more belts in the Recorder Kung Fu program? This camp will help them practice their scales, rhythms, and tunes on the piano or recorder and begin the school year with a head start.

### **Watercolor Art & Poetry Camp (4th-8th) - Supply Fee \$10**

*with Mrs. Kasi Bachelder*

Students will be introduced to some of the great poets, write their own poetry in the style of these poets, and create original watercolor artwork to illustrate their poems.

### **Soccer (1st-6th - Boys & Girls)**

*with Coach Chip Bachelder*

This beginner soccer camp is geared toward children with little to no soccer experience. Kids will learn basic soccer skills like dribbling, passing, and shooting, with scrimmages to put their skills into practice. Camp will take place in the gym to avoid the hot sun! Participants should bring a water bottle and wear athletic clothing, shin guards, and tube socks, but NO CLEATS.

# WEEK 5

## AUGUST 4-7 . . . .

### SESSION A

9:00-11:30 a.m.

#### **Little Builders (Pre-K & Kinder)**

*with Mrs. Jessica Roberts*

Modeling our Master Builder, we will be exploring structures, tools, and stories from the Bible about building and creating. We will use literature, arts, and math to create, all while strengthening our fine motor skills.

#### **Backyard Science (1st-3rd)**

*with Mrs. Adrienne Collins*

This camp will inspire curiosity and wonder in God's creation with hands-on (and sometimes messy) exploration of nature and science. Each day will include a story, a lesson, and an activity to demonstrate the scientific method. Campers will leave each day with a completed project and suggested extension activities for continued home exploration and family discussion.

#### **Mixed Media Mania (4th-6th)**

*with Mrs. Amy Haaland*

Mrs. Haaland will be teaching some of her favorite "Created for a Purpose" sculpture projects during this fun session of creative exploration! We will create fantastic 3D art using a mixture of mediums – string, paint, paper, beads, and other common materials – to reflect the creativity of our Creator.

#### **Mini VBS (4th-8th)**

*with Mrs. Mandy Hayes*

Join us for worship songs and dances, Bible study, crafts, and activities centered around the day's Bible lesson. The theme for this Mini VBS is "Amazing Space!"

#### **Intro to Photography and Editing (7th-12th)**

*with Mr. Wade Butin*

Using the camera on a cell phone is becoming more popular but will never replace the quality of a dedicated mirrorless digital camera. This one-week course will familiarize students with a digital camera and how to capture God's beauty in a snapshot. It will also teach them how to prepare photos for print or digital storage using Adobe Photoshop.

## SESSION B

12:30-3:00 p.m.

Week 5

### **Living Water (Pre-K & Kinder)**

*with Mrs. Jessica Roberts*

We will investigate the forms and stages of water, exploring stories like Jesus calming the waters and declaring He is the Living Water. Students will also learn the names and locations of different bodies of water around the world and Who is in control of them all.

### **STEM Fun with Fairy Tales (1st-3rd)**

*with Ms. Laryssa Nesbit*

Campers will engage in hands-on science, technology, engineering, and math activities inspired by classic fairy tales. Your child will follow a story with a STEM twist, then use the engineering design process to solve problems and design solutions using creative thinking.

### **A Pack of Paper Possibilities (4th-6th)**

*with Mrs. Amy Haaland*

So many beautiful creations can be made with just a little paper and some imagination! Join Mrs. Haaland as she teaches some of her favorite "Created for a Purpose" paper art projects. The focus for the week will be floral and nature art reflecting the beauty of God's creation.

### **Recorder & Piano Kung Fu (4th-6th)**

*with Mr. Wade Butin*

Does your child wish they had time to pass more belts in the Recorder Kung Fu program? This camp will help them practice their scales, rhythms, and tunes on the piano or recorder and begin the school year with a head start.

### **Worship Team Camp (4th-12th)**

*with Mrs. Kasi Bachelder*

Students will learn about why corporate worship is so important in the life of a believer. They will also learn vocal techniques, harmonization, and microphone techniques. They will try out different instruments, write their own worship songs, navigate sound equipment, and learn the dynamics of being part of a worship band.

### **Soccer (1st-6th - Boys & Girls)**

*with Coach Chip Bachelder*

This beginner soccer camp is geared toward children with little to no soccer experience. Kids will learn basic soccer skills like dribbling, passing, and shooting, with scrimmages to put their skills into practice. Camp will take place in the gym to avoid the hot sun! Participants should bring a water bottle and wear athletic clothing, shin guards, and tube socks, but **NO CLEATS**.

# WEEK 6

## AUGUST 11-14 . . . .

### SESSION A

9:00-11:30 a.m.

#### **God's Paintbrush (Pre-K & Kinder)**

*with Mrs. Jessica Roberts*

Each day is a different primary color focus, ending the week with a beautiful rainbow. We will explore all things red, yellow, and blue through play, developing stronger fine motor skills, read-alouds, and learning to work together to complete challenges.

#### **Backyard Science (1st-3rd)**

*with Mrs. Adrienne Collins*

This camp will inspire curiosity and wonder in God's creation with hands-on (and sometimes messy) exploration of nature and science. Each day will include a story, a lesson, and an activity to demonstrate the scientific method. Campers will leave each day with a completed project and suggested extension activities for continued home exploration and family discussion.

#### **Math Bootcamp (4th-6th)**

*with Mrs. Mandy Hayes*

Students will refresh their math skills before the beginning of the school year. This camp includes math practice games, activities to build critical thinking skills, word problems, math facts, and more.

#### **Musical Theater (4th-8th)**

*with Mrs. Kasi Bachelder*

Participants will learn about acting, music, and movement. They will learn to develop a character and project their voices in speaking and singing. On Thursday evening, they will perform a scene for family and friends to showcase what they have learned!

## SESSION B

12:30-3:00 p.m.

### **Knights & Princesses (Pre-K & Kinder) - Supply Fee \$5**

*with Mrs. Jessica Roberts*

We will explore chivalry, kindness, castles, kingdoms, and the Armor of God. Students will enjoy obstacle courses designed to train knights, hear stories like St. George & the Dragon, and end the week with a knighting ceremony! All activities will be hands-on and work towards fine motor development.

### **Spanish Camp (1st-3rd) - Supply Fee - \$10**

*with Mrs. Amy Marusik*

Join us on a journey through 4 different Hispanic countries while gaining world geography skills and simultaneously being introduced to basic Spanish words and conversational phrases! We will play games, sample foods, sing songs (including worship!), and do crafts while at the same time learning numbers, colors, and greetings/goodbyes/useful phrases.

### **Watercolor Art & Poetry Camp (4th-8th) - Supply Fee \$10**

*with Mrs. Kasi Bachelder*

Students will be introduced to some of the great poets, write their own poetry in the style of these poets, and create original watercolor artwork to illustrate their poems.

### **Basketball (1st-6th - Boys & Girls)**

*with Coach Melvin Roberts*

This skills camp will focus on building ball-handling and teamwork skills. For the younger ages, coaches will focus on dribbling, passing, and shooting. Older kids will work on the basics and also focus on offense and defense, leadership, and team play. Every camp day will end with the chance to scrimmage. Participants should bring a water bottle and wear athletic clothing and basketball shoes.

# COLLEGE BOOTCAMPS . . . .

The PCS College Advising Team offers these bootcamps to help PCS students applying for college. We strongly encourage all PCS juniors and seniors to take part in these camps. **Registration is separate from all other summer camps (see below).**

## JUNIORS

### SAT Bootcamp (11th)

Monday-Friday, August 4-8

9:00 a.m.-12:00 p.m.

PCS Campus (Room TBD)

\$200

Register online by August 1: [forms.gle/VqZ3HH2FHH2p3SaXA](https://forms.gle/VqZ3HH2FHH2p3SaXA)

with Ms. Kavita Wadhwa and Ms. Denise Boyd

Providence hosts this annual SAT bootcamp led by highly experienced local test prep professionals. The bootcamp will cover material and tips for the new digital SAT.

## SENIORS

### College Application Bootcamp (12th)

Monday-Thursday, August 4-7 **\*AND\***

Monday-Thursday, August 11-14

10:00 a.m.-3:00 p.m.

PCS Forum

**FREE**

with Mrs. Tonya Post and Mrs. Bethany Scott

This college application bootcamp is provided for free to all rising PCS Seniors. Mrs. Post and Mrs. Scott will guide students through applications, essays, resumes, and other important steps of completing their college applications. **Registration is not required.** Students are encouraged to attend as much as possible.

# ACADEMIC BOOTCAMPS

Refresh key academic skills before school starts! Academic Bootcamps cost \$150 each, run Monday-Thursday, and are only open to current PCS students. Academic Bootcamps do not require a registration fee and do not include a T-shirt.

[Click here](#) to register for Academic Bootcamps!

DATES	TIME	BOOTCAMP
August 4-7	9:00-10:30	<ul style="list-style-type: none"><li>• <b>Pre-Algebra</b> (7th)</li><li>• <b>Executive Functioning</b> (4th-6th)</li></ul>
	10:30-12:00	<ul style="list-style-type: none"><li>• <b>Algebra I</b> (8th)</li><li>• <b>Logic School Latin</b> (7th-8th)</li></ul>
	1:00-2:30	<ul style="list-style-type: none"><li>• <b>Algebra II</b> (10th)</li><li>• <b>Physics</b> (9th)</li></ul>
August 11-14	10:30-12:00	<ul style="list-style-type: none"><li>• <b>Pre-Calculus</b> (11th)</li></ul>
	1:00-2:30	<ul style="list-style-type: none"><li>• <b>Chemistry</b> (11th)</li><li>• <b>Calculus</b> (12th)</li></ul>

## AUGUST 4-7

### **Pre-Algebra Bootcamp (7th)**

**9:00-10:30 a.m.**

*with Mrs. Jennifer Foudy*

Get ready for Pre-Algebra by refreshing your math skills. Students will review and build fluency with operations and conversions using fractions, decimals, and percentages. In addition, we will work on strengthening mental math skills and flexibility with numbers.

### **Executive Functioning (4th-6th)**

**9:00-10:30 a.m.**

*with Ms. Laryssa Nesbit*

Executive functioning skills are the mental processes that enable us to plan, focus attention, remember instructions, and juggle multiple tasks successfully. During this bootcamp we will be playing brain games and completing challenging activities that will help your child feel more confident and successful in the classroom.

# ACADEMIC BOOTCAMPS . . . .

**AUG 4-7 (CONT)**

## **Algebra I Bootcamp (8th)**

**10:30 a.m.-12:00 p.m.**

*with Mrs. Lisa Murphy*

Get ready for Algebra I by refreshing and strengthening your pre-algebra skills. Students will review all major concepts introduced last year, including solving equations and inequalities, exponent laws, proportional reasoning, and simplifying algebraic expressions.

## **Logic School Latin Bootcamp (7th-8th)**

**10:30 a.m.-12:00 p.m.**

*with Ms. Caroline Young*

Get ready to dive back into Latin! We will review conjugations and declensions learned at each level and will review core vocabulary. Students will also practice translations.

## **Algebra II Bootcamp (10th)**

**1:00-2:30 p.m.**

*with Mrs. Lisa Murphy*

Get ready for Algebra II by refreshing your algebra skills. Students will review and strengthen their algebra foundation in preparation for more complex skills introduced in their upcoming math course. We will review concepts such as solving and graphing linear and quadratic functions and inequalities, as well as simplifying exponents, radicals, and rational expressions.

## **Physics Bootcamp (9th)**

**1:00-2:30 p.m.**

*with Mr. Tom Neal*

The physics bootcamp will provide an overview of course basics students can expect to encounter this year, including review topics like unit conversions, scientific notation, Pythagorean theorem, and the metric system, and new topics like significant figures and trigonometric functions. The time together will be helpful in establishing a strong working relationship for the fun and challenging year awaiting us.

**AUGUST 11-14**

Academic  
Bootcamps

### **Pre-Calculus Bootcamp (11th)**

**10:30 a.m.-12:00 p.m.**

*with Mr. Chris Corley*

Increase your math fluency to jump start the Pre-Calculus experience! We will review and strengthen algebraic and trigonometric skills that are fundamental to success in Pre-Calculus. Get ready to practice factoring, logarithms, the unit circle, and families of functions. Let's strengthen our core skills and enter the new year with confidence!

### **Chemistry Bootcamp (11th)**

**1:00-2:30 p.m.**

*with Mr. Tom Neal*

The session will focus on applying unit conversions to the concept of the mole, review significant figures, introduce and discuss the periodicity of the periodic table, and present/discuss the significance of the electron and its relationship to chemical bonding and compound behavior.

### **Calculus Bootcamp (12th)**

**1:00-2:30 p.m.**

*with Mr. Chris Corley*

Increase your math fluency to jump start the Calculus experience! We will review and practice key algebraic and trigonometric components of calculus. Get ready to practice complex factoring, logarithms, unit circle, trig identities, and complex symbol manipulation. Calculus can be easy, but the algebra can trip us up. Let's strengthen our core skills and dive into calculus with confidence!

# LOOKING FOR HELPERS!

## SEEKING STUDENT VOLUNTEERS!

We love our Providence students and are looking to partner with energetic 9th-12th graders who enjoy working with children and would like to gain valuable experience and volunteer hours. Student volunteers will assist with Exploration Camps in a variety of roles both in and out of the classroom.

**[Click here](#)** for more information and to volunteer!

## Questions?
